City Manager Search Process

The Kalamazoo City Commission is inviting community members to complete a brief survey to help define the qualities, values, and priorities they would like to see in the next City Manager. The survey is available online at www.kalamazoo-city.org/CityManagerSearch, along with a timeline of the search process, updates, frequently asked questions, and other resources. Paper copies of the survey can be found at City Offices. The survey will be open through August 24.

All materials, updates, and opportunities for community involvement are available at www.kalamazoo-city.org/CityManagerSearch. The City Commission will also continue to provide updates at each City Commission meeting.

You can use the camera on your phone or mobile device to scan this QR Code, which will take you to the City Manager search webpage and community survey.
