D. General Citizen Comments

E. Board Comments

No comments

F. New Business – 2600 Mount Olivet Road Pump Station 14 Reconstruction – The Property is Spring Valley Park, which is a City-owned parcel. Similar to Pump Station 5 which proposed to increase and add additional water treatment capacity for the City of Kalamazoo to remove iron and POS to the new regulatory standards. See the Presentation given by Eric Sajtar, City of Kalamazoo, Senior Civil Engineer.

**Motion to approve the NFP site plan for 2600 Mount Olivet Road pump station 14 reconstruction as presented made by Director Hollander, supported by Director Bassett, motion passed unanimously.**

**Question?**

**Public Comments:**

Unfinished Business

Looking into joint training between NFP, Planning Commissioners and Zoning Board of Appeals members.

Sent an updated copy of the guide to some planning staff for feedback and will discuss at the next meeting.
